Please find below and/or attached an Office communication concerning this application or proceeding.

Art Unit: 3632

This is an office action for serial number 09/777,045, entitled Bracket Apparatus And Method For Mounting a Personal Computing Appliance To A Wall, in response to Amendment filed on March 5, 2004.

Response to Amendment

The reply filed on March 5, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): (1) The current status of all of the claims in the application must be given in a parenthetical expression following the claim number using only one of the following seven status identifier: (original), (currently amended), (canceled), (withdrawn), (new), (previously presented) and (not entered). Canceled and not entered claims must be indicated by only the claim number and status, without presenting the text of the claims. (2) The text of all claims being currently amended must be presented in the claim listing with markings to indicate the changes that have been made relative to the immediate prior version. The changes in any amended claim must be shown by strikethrough (for deleted matter) with 2 exceptions: (1) for deletion of five characters or fewer, double brackets may be used (e.g., [[error]]); and (2) if strikethrough cannot be easily perceived (e.g., deletion of number "4" or certain punctuation marks), double brackets must be used (e.g., [[4]]).

Art Unit: 3632

Only claims of the status "currently amended," and "withdrawn" that are being amended, may include markings. (3) The text of pending claims not being currently amended, including withdrawn claims, must be presented in the claim listing in clean version, i.e., without any markings. Any claim text presented in clean version will constitute an assertion that it has not been changed relative to the immediate prior version except to omit markings that may have been present in the immediate prior version of the claims. ***The amendment is not in compliance with the revised amendment practice 37 CFR 1.121 effective July 30, 2003. The applicant has used (Previously Added) as the claim status identifier for claims 34-37 which is not one of the required seven claim status identifiers as indicated above. Correction is required. See 37 CFR 1.111. Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).***
